

DAVID OLUOMACHUKWU FAVOUR

Graduate Trainee | Investment and Financial Services

+234 903 648 2785 | david.oluoma.favour@gmail.com | Port Harcourt, Nigeria | davidoluoma.github.io/data.html

PROFESSIONAL SUMMARY

STEM graduate (BSc Computer Science, Second Class Upper; NYSC completed November 2024) with a strong foundation in data analysis, process improvement, and operational coordination. Proven ability to manage high-volume structured workflows, maintain full SLA compliance, and translate data into evidence-based decisions. Google-certified Data Analyst with practical experience building machine learning models. Brings analytical rigour, professionalism under pressure, and a disciplined approach to structured problem solving.

CORE COMPETENCIES

Analytical: Data analysis, KPI tracking, performance reporting, quantitative reasoning	Operational: Process optimisation, workflow design, SOP development, documentation
Professional: Stakeholder communication, client relationship management, report writing	Technical: Microsoft Excel (advanced), Python, SQL (basic), Google Workspace

PROFESSIONAL EXPERIENCE

Youth Creative Conference (YCC) Operations and Partnerships Coordinator	Abuja Remote Apr 2025 - Present
- Coordinated 12+ nationwide programmes with defined budgets, timelines, and reporting templates, maintaining 100% delivery on all tracked commitments. - Built data-driven workflow tracking systems that improved reporting efficiency by approximately 30%, enabling leadership to make evidence-based resource decisions. - Produced 20+ structured performance reports and briefs for executive stakeholders and partner organisations.	
Independent Contractor Freelance Data Analyst and Client Support	Remote Aug 2024 - Present
- Designed bespoke KPI dashboards and data tracking systems for clients across multiple industries, improving operational visibility and enabling faster commercial decisions. - Produced monthly performance reports translating raw data into commercial recommendations that directly influenced client strategy. - Managed client communications across multiple industries maintaining a high response rate and zero escalated complaints.	
Ratedby10 Customer Service Representative	Remote Jan - Apr 2024
- Managed 300+ daily support tickets with full SLA compliance in a fast-paced, high-volume environment. - Reduced average resolution time by approximately 20% through a structured escalation and tracking framework. - Documented recurring issue patterns to identify root causes and support ongoing service quality improvements.	
NYSC Government Secretariat Administrative and Liaison Officer	Delta State Mar 2023 - Feb 2024
- Drafted and reviewed 50+ official reports and documents, reducing preparation time by approximately 25% through process standardisation. - Resolved 200+ public inquiries and served as liaison between local government inspectors and employers.	
Thamani Multi Consult / NIPEX IT and User Support Specialist (Intern)	Lagos Jun - Oct 2022
- Resolved 100+ technical incidents and maintained 98% system uptime through proactive monitoring within a regulated enterprise environment. - Participated in SAP architecture training, gaining foundational exposure to enterprise resource planning systems. - Analysed usability data from 30+ enterprise users, updated technical documentation, and reduced repeat support requests by approximately 20%.	

DATA AND ANALYTICAL PROJECTS

Text Similarity Checker (NLP Model) Independent
Built an end-to-end NLP text similarity model achieving 82% accuracy, demonstrating analytical capability from problem framing to measurable delivery.
Sales and Engagement Analysis Independent

- Cleaned and analysed large engagement datasets; structured insights produced approximately a 20% improvement in campaign targeting strategy.

EDUCATION

Afe Babalola University, Ado Ekiti BSc Computer Science, Second Class Upper Division

Nigeria | 2019 - 2023

Relevant coursework: Data Mining, Machine Learning, Statistical Analysis, Database Management, Computer Networks

CERTIFICATIONS AND TRAINING

- Google Data Analytics Professional Certificate (Coursera) — Feb 2024
- Business Analysis and Process Management — Jun 2025
- ALX Virtual Assistant Certificate — Jul 2024
- Computer Professionals of Nigeria (CPN) — Oct 2023
- National Youth Service Corps (NYSC) Discharge Certificate — Nov 2024
- Additional: Learning AI with Azure (2023) | CompTIA A+ 1000 Part 1 (2021)
