

DAVID OLUOMACHUKWU FAVOUR

Graduate Trainee | Computing, IT and Data | Energy Sector

+234 903 648 2785 | david.oluoma.favour@gmail.com | Port Harcourt, Rivers State | davidoluoma.github.io/data.html

PROFESSIONAL SUMMARY

Computer Science graduate (BSc, Second Class Upper; NYSC completed November 2024) and Google-certified Data Analyst with direct energy sector exposure through an internship at the Nigerian Petroleum Exchange (NIPEX). Resolved 100+ technical incidents, maintained 98% system uptime, and trained 50+ staff on enterprise tools within a regulated petroleum exchange environment. Brings structured analytical thinking, SAP architecture exposure, and a proven learner mindset to Computing, IT and Data graduate roles in the energy industry.

CORE SKILLS

IT and Systems: Incident management, system monitoring, SAP architecture exposure, technical documentation, enterprise tool deployment
Data and Analysis: Python (ML and statistical analysis), Microsoft Excel (advanced), SQL (basic), KPI reporting, data tracking
Operations: Process optimisation, SOP design, cross-functional coordination, stakeholder communication
Collaboration: Slack, Notion, Google Workspace, GitHub, Asana

PROFESSIONAL EXPERIENCE

Thamani Multi Consult / NIPEX IT and User Support Specialist (Intern) Lagos | Jun - Oct 2022

- Worked inside Nigeria's official petroleum exchange, gaining direct exposure to energy sector data systems, enterprise operations, and national infrastructure at an institutional level.
- Participated in SAP architecture training; resolved 100+ technical incidents and maintained 98% system uptime through structured incident management in a regulated environment.
- Collected and analysed usability data from 30+ enterprise users, updated technical documentation, and reduced repeat support requests by approximately 20%.
- Trained 50+ staff on enterprise tools, improving first-contact resolution rates and platform adoption across the organisation.

Youth Creative Conference (YCC) Operations and Partnerships Coordinator Abuja | Remote | Apr 2025 - Present

- Managed concurrent execution of 12+ nationwide programmes with independent budgets, timelines, and multi-stakeholder reporting, with zero missed deadlines.
- Designed data-driven workflow and reporting systems that improved leadership decision-making efficiency by approximately 30%.
- Produced 20+ structured performance reports and briefs for executive stakeholders and partner organisations.

Independent Contractor Data Analyst and Client Support Remote | Aug 2024 - Present

- Built KPI dashboards and tracking systems for clients across multiple industries, improving operational visibility and enabling faster, evidence-based decisions.
- Produced monthly performance reports translating raw data into commercial recommendations.

NYSC Government Secretariat Administrative and Liaison Officer Delta State | Mar 2023 - Feb 2024

- Drafted 50+ official government reports, reducing preparation time by approximately 25% through standardisation; resolved 200+ public inquiries as official government-employer liaison.

DATA AND ANALYTICAL PROJECTS

Text Similarity Checker (NLP Model) | Independent

- Independently built an NLP-based model achieving 82% accuracy covering problem framing, feature engineering, model training, and evaluation end-to-end.

SME Cash Flow Early Warning System | github.com/davidoluoma/sme-cashflow-early-warning

- Built a financial forecasting model published on GitHub demonstrating full project lifecycle capability.

Sales and Engagement Analysis | Independent

- Cleaned and analysed large datasets; insights produced approximately a 20% improvement in campaign targeting strategy.

EDUCATION

Afe Babalola University, Ado Ekiti BSc Computer Science, Second Class

Nigeria | 2019 - 2023

Upper Division

Relevant coursework: Data Mining, Machine Learning, Statistical Analysis, Systems Architecture, Database Management, Computer Networks

CERTIFICATIONS AND TRAINING

- Google Data Analytics Professional Certificate (Coursera) — Feb 2024
- Business Analysis and Process Management — Jun 2025
- ALX Virtual Assistant Certificate — Jul 2024
- Computer Professionals of Nigeria (CPN) — Oct 2023
- National Youth Service Corps (NYSC) Discharge Certificate — Nov 2024
- Additional: Learning AI with Azure (2023) | Decentralised Intelligence: Web3 and AI Summit (2023) | CompTIA A+ 1000 Part 1 (2021)
