

DAVID OLUOMACHUKWU FAVOUR

Graduate Trainee | Operations and Technical Support | Data and Process Analysis
+234 903 648 2785 | david.oluoma.favour@gmail.com | Port Harcourt, Nigeria | davidoluoma.github.io/ops.html

PROFESSIONAL SUMMARY

STEM graduate (BSc Computer Science, Second Class Upper; NYSC completed November 2024) with hands-on experience in IT support, operations coordination, and data analysis across technical and enterprise environments. Demonstrated ability to maintain 98% system uptime, resolve 100+ technical incidents, and train 50+ users on enterprise tools within a petroleum exchange setting. Strong analytical foundations with exposure to SAP architecture and structured problem solving across cross-functional environments.

CORE COMPETENCIES

Technical: Incident management, IT troubleshooting, SAP architecture exposure, technical documentation, enterprise tool training	Operations: Workflow design, SOP writing, process optimisation, KPI tracking, cross-functional coordination
Data and Reporting: Data analysis, performance reporting, Python, SQL (basic), Microsoft Excel (advanced)	Professional: Stakeholder communication, structured report writing, stakeholder briefings

PROFESSIONAL EXPERIENCE

Thamani Multi Consult / NIPEX IT and User Support Specialist (Intern) - Worked within Nigeria's official petroleum exchange, gaining direct exposure to energy sector operations, enterprise data systems, and technical infrastructure at a national level. - Resolved 100+ technical incidents and maintained 98% system uptime through proactive monitoring and structured troubleshooting within a regulated, enterprise-grade environment. - Participated in SAP architecture training, building foundational knowledge of enterprise resource planning systems. - Collected usability data from 30+ users, updated technical documentation, and reduced repeat support requests by approximately 20%. - Trained 50+ staff on enterprise tools, demonstrating ability to communicate technical concepts clearly to non-technical audiences.	Lagos Jun - Oct 2022
Youth Creative Conference (YCC) Operations and Partnerships Coordinator - Designed data-driven workflow tracking systems that improved reporting efficiency by approximately 30%. - Coordinated cross-functional teams across logistics, media, and operations for 12+ nationwide programmes, maintaining 100% delivery on all tracked commitments. - Produced 20+ structured performance reports for executive stakeholders and external partner organisations.	Abuja Remote Apr 2025 - Present
Independent Contractor Data Analyst and Client Support - Built KPI dashboards and tracking systems for clients across multiple industries, improving operational visibility and enabling faster, evidence-based decisions. - Managed high-volume client communications with full accuracy and zero escalated complaints across all engagements.	Remote Aug 2024 - Present
Ratedby10 Customer Service Representative - Managed 300+ daily support tickets with full SLA compliance in a high-volume environment. - Reduced average resolution time by approximately 20% through a structured escalation and tracking framework.	Remote Jan - Apr 2024
NYSC Government Secretariat Administrative and Liaison Officer - Drafted and reviewed 50+ official government reports, reducing preparation time by approximately 25% through process standardisation. - Resolved 200+ public inquiries and served as official liaison between local government inspectors and employers. - Introduced an attendance and time-tracking system for corps members, improving operational accountability.	Delta State Mar 2023 - Feb 2024

DATA AND TECHNICAL PROJECTS

Text Similarity Checker (Machine Learning Model) Independent Independently built an NLP-based text similarity model achieving 82% accuracy, demonstrating end-to-end analytical capability from problem framing to measurable delivery.
--

Sales and Engagement Analysis | Independent

- Cleaned and analysed large engagement datasets; delivered structured insights that produced approximately a 20% improvement in campaign targeting strategy.

EDUCATION

**Afe Babalola University, Ado Ekiti BSc Computer Science, Second Class
Upper Division**

Nigeria | 2019 - 2023

Relevant coursework: Data Mining, Machine Learning, Statistical Analysis, Computer Networks, Systems Architecture, Database Management

CERTIFICATIONS AND TRAINING

- Google Data Analytics Professional Certificate (Coursera) — Feb 2024
- Business Analysis and Process Management — Jun 2025
- ALX Virtual Assistant Certificate — Jul 2024
- Computer Professionals of Nigeria (CPN) — Oct 2023
- National Youth Service Corps (NYSC) Discharge Certificate — Nov 2024
- Additional: Learning AI with Azure (2023) | SmartEco (2024) | CompTIA A+ 1000 Part 1 (2021) | Microsoft Office Instructor Support, New Horizons (2021)
