

DAVID OLUOMACHUKWU FAVOUR

Data Analyst | Python | SQL | Excel | Machine Learning

+234 903 648 2785 | david.oluoma.favour@gmail.com | Port Harcourt, Nigeria | davidoluoma.github.io/data.html

PROFESSIONAL SUMMARY

Computer Science graduate (BSc, Second Class Upper; NYSC completed November 2024) and Google-certified Data Analyst with hands-on experience in data cleaning, statistical analysis, KPI reporting, and machine learning model development. Independently built an NLP model at 82% accuracy and delivered data systems that improved decision-making efficiency across multiple client engagements. Brings a structured analytical mindset, strong professional communication, and the ability to translate raw data into actionable insights.

TECHNICAL SKILLS

Languages and Tools: Python (pandas, scikit-learn, NumPy), SQL (basic), Microsoft Excel (advanced)

Annotation and Evaluation: Data labelling, output quality review, structured guideline compliance

Analytics: Statistical analysis, data cleaning, KPI dashboards, performance reporting

Collaboration: Google Workspace, Notion, Slack, GitHub

PROFESSIONAL EXPERIENCE

Youth Creative Conference (YCC) *Operations and Data Coordinator*

Abuja | Remote | Apr 2025 - Present

- Designed end-to-end data tracking and reporting workflows that improved operational efficiency by approximately 30% across 12+ nationwide programmes.
- Produced 20+ structured performance reports and programme briefs for executive stakeholders, applying rigorous data quality standards throughout.
- Coordinated cross-functional teams using async tools including Slack, Notion, and Google Workspace across distributed locations.

Independent Contractor *Data Analyst and Client Support*

Remote | Aug 2024 - Present

- Designed KPI dashboards and data tracking systems for clients across multiple industries, improving operational visibility and enabling faster commercial decisions.
- Produced monthly performance reports translating raw data into commercial recommendations that directly influenced client strategy.
- Maintained high accuracy across all deliverables with zero escalated complaints throughout all client engagements.

Ratedby10 *Customer Experience Specialist*

Remote | Jan - Apr 2024

- Managed 300+ daily queries with full SLA compliance, demonstrating sustained accuracy across large task volumes.
- Designed a structured escalation matrix reducing average resolution time by approximately 20%.

NYSC Government Secretariat *Administrative and Liaison Officer*

Delta State | Mar 2023 - Feb 2024

- Drafted and reviewed 50+ official reports, reducing preparation time by approximately 25% through process standardisation.
- Resolved 200+ public inquiries demanding precise, research-backed communication under pressure.

Thamani Multi Consult / NIPEX *IT Support Analyst (Intern)*

Lagos | Jun - Oct 2022

- Collected and documented usability feedback from 30+ enterprise users, updating technical manuals and reducing repeat support requests by approximately 20%.
- Analysed user behaviour patterns to identify recurring issues and propose structured process improvements.

DATA AND MACHINE LEARNING PROJECTS

Text Similarity Checker (NLP Model) | Independent

- Built an end-to-end NLP text similarity model achieving 82% accuracy using Python — covering feature engineering, model training, and evaluation.

SME Cash Flow Early Warning System | Independent | github.com/davidoluoma/sme-cashflow-early-warning

- Built a financial forecasting model published end-to-end on GitHub, demonstrating full project lifecycle capability.

Sales and Engagement Analysis | Independent

- Cleaned and analysed large engagement datasets; structured insights produced approximately a 20% improvement in campaign targeting strategy.

EDUCATION

Afe Babalola University, Ado Ekiti BSc Computer Science, Second Class
Upper Division
Relevant coursework: Data Mining, Machine Learning, NLP Concepts, Statistical Analysis, Database Management, Systems Architecture

Nigeria | 2019 - 2023

CERTIFICATIONS

- Google Data Analytics Professional Certificate (Coursera) — Feb 2024
- Business Analysis and Process Management — Jun 2025
- ALX Virtual Assistant Certificate — Jul 2024
- Computer Professionals of Nigeria (CPN) — Oct 2023
- National Youth Service Corps (NYSC) Discharge Certificate — Nov 2024
- Additional: Learning AI with Azure (2023) | CompTIA A+ 1000 Part 1 (2021)
